

Algebra I Employment Standards – 2020-2021

State Approved Hybrid Training Sponsored by the Tennessee Department of Education

REGISTRATION FORM

TARGET AUDIENCE: Algebra I/Integrated I Teachers

Focus: The State of Tennessee has provided various paths for qualified middle school teachers to teach Algebra I/Integrated Math I for high school credit. The various paths are described at <https://www.tn.gov/education/licensing/educator-licensure/licensed-educators.html>. The purpose of the trainings offered here is to provide the pedagogical and content support required by the state training standards in a modality that meets the time frame and purposes of the teacher participant. During the upcoming school year, there are three hybrid versions available.. This registration form serves for all three training options during academic year 2020-2021. **Identify the training for which you are registering.**
